More Info: Jeni-Lyn's unique program

"Beethoven's Four" allows students to work at their own pace within a group lesson.

Each class of four is one hour. Within the class time, students visit four "stations".

1. Individual lesson time with Jeni-Lyn
2. Interactive theory on the computer
3. Written theory activities
4. Warm-ups / Sight-reading / Duets / Quartets

To top it off, each class ends with an exciting class activity. Students love this program!!
